

# TAWIP galaxy

## Polymer based wipe care

- Anti-slip ■ Eases maintenance ■ Cleaning & care

### Product profile

- TAWIP galaxy is wax and polymer based maintenance care cleaner which has convincing cleaning and care performance.
- TAWIP galaxy is perfectly suited for initial care of floorings.
- The care film can be easily polished and increases gloss.
- The slight care film reduces re-soiling and makes following cleaning cycles easier leading to saving time and costs.
- TAWIP galaxy is safe and easy to use because of its anti-slip and low foaming formulas.
- After using TAWIP galaxy a long-lasting cleanliness is ensured.
- Tested according to DIN 18032-2.

### Area of application

- For all water resistant floors, for example elastic floorings, porous stones etc. Not suitable for unsealed wood.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

5 - 20 mL/L  
**Manual floor cleaning:** mop the floor with a clean mop.

**Open floor surfaces:** can be applied in auto-scrubbers.

100 mL/L  
**Spray cleaning:** spray thinly and evenly on the floor, treat with a single disk machine.

250 mL/L  
**Initial care with soil-release-effect:** wet wipe the uncoated floor. Polish after drying.

### Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

### Sustainable development and production

### Product safety, storage and environmental instructions

**Safety:** For professional use only. For further information see Safety Data Sheet.

**Storage:** Store at room temperature in the original container. Keep from freezing.

**Environmental:** Only give completely emptied packaging to a special waste disposer.
