- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

makes the difference

SANET power QUICK & EASY

green-Effective[®] Sanitary power cleaner

- High performing ■ Effective against lime scale ■ Fast action time

Product profile

- SANET power Quick & Easy is a high performing cleaner for sanitary areas and bathrooms.
- Thanks to its special acid combination this sanitary power cleaner is especially effective against lime scale.
- This product convinces with a fast action time and is suitable for the removal of lime soap and water stains.
- Even on vertical surfaces it shows an excellent performance thanks to its compact foam properties and leave a pleasant scent.
- As part of the Quick & Easy portable dosing system, this sanitary power cleaner combines outstanding performance with minimum efforts and low cost.
- Majorly composed of renewable resources, this product takes on the responsibility for future generations.

Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area for example tiles, chromed fittings, porcelain, stoneware, etc. Not suitable for natural stones (e.g. marble) and acid-sensitive enamel.
- For our Quick & Easy system we recommend to change water after 24 hours.
